THE H. C. MURRAY CO.

every minute was my last. After-reading your text-book for women I took Lydia E. Pinkham's Vege-table Commons

Pinkham's Vegetable Compound and used the Sanative Wash, and have never felt better than I have the last two years. I can work, eat, sleep, and feel as strong as ean be. Doctors told me I could never have children—I was too weak—but after taking Vegetable Compound it strengthened me so I gave birth to an eight pound boy. I was well all the time, did all my work up to the last day, and had a natural birth. Everybody who knew me was surprised, and when they ask me what made me strong I tell them Lydia E. Pinkham's Vegetable Compound. Use this testimonial at any time."—Mrs. Elizabeth Smart, 142 W. Sixth St., Lowell, Mass.

This experience of Mrs. Smart is surely a strong recommendation for Lydia E. Pinkham's Vegetable Compound. It is only one of a great many similar cases.
